Cover Letter – Binance Listing Application

Caracas, Venezuela – January 2026

To the Listing Team, Binance Exchange

Dear Sir/Madam,

On behalf of the **DOA Project**, we hereby formally request the listing of our token **DOATokenV2** on Binance. DOATokenV2 is a **utility token deployed on the Polygon network**, designed to operate within the DOA ecosystem, enabling liquidity management, community participation, and access to advanced Dashboard functions.

We attach to this letter the **complete compliance package**, which includes:

- Official AML/KYC Policy.
- Utility Token Declaration.
- Terms of Use with explicit non-security clause.
- Official tokenlist with verified metadata and addresses.
- Community metrics and adoption data.
- External smart contract audit (scheduled Q1 2026).
- Legal Opinion Letter issued by a specialized law firm (pending).

Our commitment is to ensure **transparency, security, and international regulatory compliance**. DOATokenV2 does not constitute a security, and its function is strictly limited to the DOA ecosystem as a utility token.

We are confident that listing on **Binance** will expand the reach of our community and strengthen ecosystem liquidity, benefiting both users and the platform.

We remain at your disposal for any additional requirements and to coordinate the next steps to complete the listing process.

Sincerely,

DOA Team Angel Linares Phone: +58 412 0474332 Email: alimguz@gmail.com
